**TODAY, AFTER TEN YEARS** — Shown above with his wife Anne is Pete Petroff and his two sons, Steve, age 8, Chris, age 10. The Petroffs are celebrating ten years as owners of the popular BBQ Pete's Restaurant on Hawthorne Blvd., Inglewood, famous for its savory barbeques of chicken and ribs.

**WE'D LIKE TO SAY THANKS FOR 10 WONDERFUL YEARS**

We of BBQ Pete's are especially thankful to the people of the Centinela Valley for giving us an entire decade of your confidence and patronage.

We hope each of you will drop in on us during our tenth anniversary observance, and that you will continue to dine with us and to enjoy the unique savoriness of our barbequed chicken, ribs, and beef that has been our trademark since 1947.

Sincerely,  
ANNE and PETE PETROFF.

**WELL-KNOWN**—The familiar BBQ Pete's building was constructed in 1954, and was added on to the following year. An expansion in seating capacity is planned. Highlight of the entire restaurant is the all-stainless steel kitchen, in which all the famous chicken and ribs barbeques, pizza and spaghetti are prepared.
